

Brookfield Business Partners to Acquire 60% of Teekay Offshore Partners L.P.

JUL 26, 2017

BROOKFIELD, NEWS -- (Marketwired) -- 07/26/17 -- Brookfield Business Partners L.P. (NYSE:BBU)(TSX:BBU.UN) ("Brookfield Business Partners") together with its institutional partners (collectively "Brookfield"), announced today that it has entered into an agreement to acquire 60% of Teekay Offshore Partners L.P. (NYSE:TOO) ("Teekay Offshore"), a leading global provider of marine services and solutions focused on production and logistics to the offshore oil industry. Teekay Offshore is a publicly traded subsidiary of Teekay Corporation (NYSE:TK), one of the world's largest marine energy transportation, storage and production companies.

Brookfield's total investment is expected to be approximately \$750 million. As part of the transaction, Teekay Corporation will be co-investing alongside Brookfield and will retain a 14% ownership of Teekay Offshore.

Brookfield will invest \$610 million for newly-issued common units of Teekay Offshore and will acquire a \$200 million loan to Teekay Offshore from Teekay Corporation at discount to par. Brookfield will also acquire 49% of Teekay Offshore GP L.L.C. (TOO GP), the general partner of Teekay Offshore, and Teekay Corporation will continue to hold 51% of TOO GP. As part of the transaction, Brookfield has the option to acquire an additional 2% of TOO GP subject to the satisfaction of certain conditions.

"Teekay Offshore has established itself as a global leader in the provision of marine services to the offshore oil production industry," said Cyrus Madon, CEO of Brookfield Business Partners. "Our investment represents an opportunity to acquire a high quality, highly contracted business with presence in attractive markets, and we look forward to supporting Teekay Offshore with its continued growth".

Upon closing of the transaction, Brookfield will appoint four of nine directors to the Board of TOO GP.

Business Overview

Teekay Offshore provides a wide range of marine services including transportation, oil production, storage, towing and offshore installation and maintenance and safety services to the oil industry, primarily focusing on the offshore oil regions of the North Sea, Brazil and the east coast of Canada.

Teekay Offshore has consolidated assets of \$5.6 billion and its fleet of 62 offshore vessels provides critical services to its customers.

Business Highlights:

- Annual Adjusted EBITDA¹ of approximately \$590 million
- Average contract duration of 4 years with strong prospects for contract extensions
- Strong relationships with global exploration and production companies
- Control of approximately 40% of the world's shuttle tanker fleet, specialized vessels that transport crude oil and condensates from offshore production sites to onshore terminals and refineries
- The world's fourth largest portfolio of FPSO units (floating production, storage and offloading) which Teekay Offshore leases to global exploration and production companies in the North Sea and Brazil
- A diversified portfolio of high-quality FSO units (floating storage and offloading) and high-spec, long distance towage vessels

Teekay Offshore has a substantial portfolio of medium to long-term, fixed-rate contracts with high quality, primarily investment grade counterparties. The existing portfolio is comprised of several growth projects in late stages of completion which are expected to provide significant near and longer-term cash flow growth. As a fee-based business focused on critical transportation and production services, Teekay Offshore has limited direct commodity exposure.

Funding

Brookfield Business Partners will fund the investment from existing liquidity.

Prior to or following closing, a portion of Brookfield Business Partners' investment may be syndicated to other institutional investors.

Transaction Process

Closing of the transaction remains subject to customary conditions, including, among others, regulatory approvals. Closing of the transaction is expected to occur in the third quarter of 2017.
